Grand Knight, Thomas Deliduka

My Brother Knights and Spouses,

This is my **last** newsletter of my tenure as Grand Knight. Some of you may be thanking God, others may be sad. It has been a wonderful two years with ups and downs but mostly ups. I am honored to have lead this group of men for the last two years and I am confident that I'm leaving you in good hands.

Year in Review

Let's look back on this year and see all the great things we've accomplished. We had two blood drives, we raised \$1,500 for the youth, and we gave \$2,000+ to vocations. We participated in the Measure Up, two 40-days for life events and cleaned the St. Pat's Kitchen twice from top to bottom. Our fish fries had another successful year and we had a youth from our council go to the state competition for the Free Throw contest.

It is a good feeling to know that this group of men can always be counted on to step up when the Pastor or other organizations ask for us. We helped out with the Trivia Night and anything the priests ask of us we do our best to fulfill that request. I'm pretty sure we're going to make star council again this year, potentially double-star council. Those are the highest awards you can get as a council. It's all due to your work and determination. Thank you men.

Have a Great Summer!

While we will still have business meetings we won't have any events that we're working until September. However, don't forget our annual family picnic in August. Please stay tuned to the e-mail for that and for any words from our new Grand Knight.

Elections June 1, 2010

We have a full compliment of men vying for officer positions save one spot, the Advocate. The advocate handles any public relations types of items. If you are interested in this position, please let me know before the meeting or come Tuesday night and put your name in. Elections are this month and on July 1 our new Grand Knights/Officers take over.

Business Meeting Agenda

We'll have our elections and decide on where the measure-up money will be given. That is pretty much it, although, every time I say the meeting will be short, it isn't so I won't say that.

Don't forget our monthly rosary for life starting at 6:30pm in the Chapel.

Fraternally yours in Christ Jesus,
Thomas Deliduka, GK Council 11207
