Grand Knight, Thomas Deliduka

My Brother Knights and Spouses,

Hopefully you're enjoying your summer. My family's has been filled with baseball games and a sprinkling of camping. In July I attended the State Tour meeting and they outlined the new state program. Not much will probably change but I do want to introduce one thing and resurrect another.

### **Annual Family Picnic**

The date is set! August 16, 2009 @ 1:30pm at Fletcher's House. Visit this website address for the location and directions: <http://bit.ly/tSyCu> I really hope to see lots of people there and remember, this is a FAMILY picnic, so bring your kids and games. For more information contact: 476-1939

### **Pro-Life Rosary Before Meetings**

Worthy PGK Fletcher Hastings started the pro-life rosary before each business meeting when he was Grand Knight. Many times he was the lone soul in the church praying in the dark. It was a real testament to his resolve. I hoped to move it to the end of the meetings but that didn't work so I'm bringing it back. Our meetings are at 7pm. If you would like to join me for the rosary beforehand, arrive at 6:45pm in the church downstairs.

### **Get your service bone exercised**

The Knights of Columbus at St. Patrick Church does a great deal of fundraising for good causes at the church. Many vocations are helped, the youth, and many other things. However, I was convicted when a potential member asked me how many service projects we actually do. We do some, but I believe we can do more. I have asked Fr. LaCasse to think of something that needs done around the parish. Some work-thing that needs to be done, whether it be cleaning something that hasn't been cleaned in years, or something even harder. Keep your ears open because I'm going to be asking you, brother knights, to help the parish with something that Father needs. And perhaps we can do it even more than once if we can.

### **Business Meeting Agenda**

This month we need to discuss giving to a religious this year for the RSVP program and writing a check to the VBS to help them with their balance. I will also have a copy of the budget that Fletcher helped me make up and we'll discuss that. If we have the money, we have some other bills to pay.

Hope to see you there!

Fraternaly yours in Christ Jesus,  
Thomas Deliduka, GK Council 11207
